THE PURPOSE OF OUR STUDY WORKSHOP

The purpose of this DA step study workshop is to learn precisely what our approved DA & AA literature says, learn more about the nature of our disease, learn precise directions and prayers indicated in the twelve steps & tools of DA, to grow in spiritual awareness and to support each other in the practice of these principles in all our affairs. We take the steps rapidly. We apply the experience, strength and hope found in the literature to our own recovery. We commit to learn a method of sponsorship through the literature. We commit to carry this message to the compulsive debtor who still suffers and expand the culture of service in Debtors Anonymous.

In this workshop we are here to read, study, act upon & discuss the directions and prayers in a designated piece of DA/AA conference approved literature. We claim an environment where it is agreed that we speak about, and place our minds and consciousness upon, our experience of living the solution through abstinence, spirituality and working the steps of **Debtors Anonymous**. In respect for that environment, those who are not yet abstinent, who do not identify as debtors and who have not yet done the indicated DA step work will use the sharing time for listening and absorbing the experience of **abstinent recovering debtors**. This guideline gives us the freedom to listen in peace and be inspired by those who have already found strength and hope in that spiritual awakening obtained by taking the 12 steps. Specifically for purposes of this phone workshop, self help, therapy, other treatment models, other addictions, other 12 step programs, **compulsive underearning, clutter and time are all considered**

outside issues.
